

Dear Residents,

It's that time of year again! Dust off your floaty and grab your favorite pool towel because the Florham Park pool will be opening shortly. The Florham Park pool continues to be a focal point of summer fun allowing members of the community the opportunity to come together, to see friends, and even make some new ones. This year the pool committee has been working tirelessly to improve the member experience. We will have Wi-Fi around the pool, new chairs, different food options, and a guest pass program. For the first time ever, 14-year-olds are now allowed to purchase a single membership.

We have made a few changes to the 2018 fee schedule.

Option 1: If you join and pay by May 31 there is NO INCREASE over the 2017 rates. As part of this pricing, you will receive two free guest passes.

Option 2: Paying after June 1, 2018, will incur a price increase.

We are now bringing back the guest pass voucher. These vouchers allow you to pre-purchase six guest passes for \$50. This is a great program for those who know they have company or grandkids coming and want to share the Florham Park pool experience with them for the day.

Attached you will find the 2018 pool membership registration package which outlines the fees, anticipated hours of operation, and guidelines. For the convenience of the residents of the Borough, we are offering a payment plan as well as the convenience of using a credit card. There will no longer be paper registrations. All pool memberships must be made through Community Pass. This can be done by

Don't forget to check us out on Facebook and the Florham Park Pool website, to stay up to date on all the events and happening at the pool this year.

On behalf of the Mayor, Council, and Borough Staff, we look forward to seeing you at the pool this summer.

Let's have a great summer,

Florham Park Pool Committee
