## **PRESIDENTS LETTER**

The generosity of Anthony and his wife, was discussed recently on the televised news. The happily retired couple demonstrated their appreciation to the people of Milwaukee with an exemplary act of kindness.

They now reside in Milwaukee; however, during Anthony's military and teaching careers, the couple traveled across the world. After nearly sixty years of travel, the couple accumulated many works of art.

Anthony learned that an old building in his town, Saint Anthony Hospital, was being redeveloped into new family residential apartments. This was where Anthony was born over 85 years ago and he wanted to do something nice for their new neighbors.

The couple decided to sell some of their art and donate the proceeds to be used for special treatments in the new family apartments. The couple's friends and relatives helped them to achieve their goal - "to make a nice day happen for others."

This philanthropic act was recognized by Milwaukee, and beyond, as an example of what others can accomplish.

## *The Magic Bank Account*

Imagine that you had won the Following \*PRIZE\* in a contest: Each morning your bank would deposit \$86,400 In your private account for your use. However, this prize has Rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend It.
4. Each morning upon awakening, the bank opens your account with another \$86,400 for that Day.
5. The bank can end the game without warning; at any time, it can say, "Game Over!" It can close the account and you will not receive a new one.

What would you personally Do? You would buy anything and Everything you wanted right? Not only for yourself, but for all the people you love and care for. Even for people you don't know, because you couldn't possibly spend it all on yourself, right?

You would try to spend every penny, and use it all, because you knew it would be replenished in the morning, right? Actually, this GAME is REAL... Shocked ??? Each of us is already a winner of this \*PRIZE\*. We just can't seem to see it. The PRIZE is \*TIME\*

1. Each morning we awaken to Receive 86,400 seconds as a gift of Life
2. And when we go to sleep at Night, any remaining time is Not credited to us.
3. What we haven't used up that Day is forever lost.
4. Yesterday is forever Gone.
5. Each morning the account is Refilled, but the bank can dissolve your account at any time WITHOUT WARNING... SO, what will YOU do with your 86,400 seconds?

Those seconds are worth so much More than the same amount in dollars.

Think about it and remember to **Enjoy every second of your life**, because time races by so much quicker than you think. So, take care of yourself, be Happy, love deeply and enjoy life!

Here's wishing you a wonderful and beautiful day. Start spending....

***DON'T COMPLAIN ABOUT GROWING OLD! SOME PEOPLE DON'T GET THE PRIVILEGE!***

Please help us by filling out the Florham Park Senior Citizens Club Survey on the following page. If you already filled one out, there is no need to do it again.

We are very interested in your comments, suggestions and preferences. Your input will contribute to improving the club. We will report the results at a General Meeting.
