The Borough of Florham Park, in consultation with the Department of Emergency Management, has closed all public buildings to public access until further notice in an effort to prevent social contact and potential transmission of the COVID-19 virus. Borough Hall, the Public Library, the Senior Center, the Recreation Building and the Little Red School House will all remain closed to public access until further notice. The buildings will remain staffed and contact can be made with Borough officials via telephone and/or email. Visit the Borough of Florham Park website at [www.fpboro.net](http://www.fpboro.net) for Department listings, phone numbers and emails.

Construction permit applications and various paperwork have been placed on a table inside the vestibule of Borough Hall, at the Police Department entrance. The public will have access to this vestibule and any contact with Borough officials will be accomplished through the intercom system located within the vestibule.

The vestibule will also be utilized for those members of the public requiring Marriage Certificates, as well as Court, Tax, Water and Sewer payments.

Anyone needing to file police reports or in need of police assistance can utilize the Police Entrance to enter the vestibule and contact the police dispatcher via the intercom system.

Please understand the Borough is acting in an abundance of caution to proactively protect its employees and the public from transmission of the COVID-19 virus and asks that all remain patient while this pandemic runs its course and normal operations resume. Updates will continue as the situation evolves.

Thank you
