

**Borough of Florham Park
Borough Council Meeting Minutes
June 25, 2020
Held Telephonically**

Mayor Taylor called the Regular Meeting of the Borough Council to order at 6:30 p.m. He asked the Clerk if the requirements of the Open Public Meetings Act had been met. Borough Clerk Sheila Williams stated that adequate notice of the meeting had been made within the guidelines for public meetings by the State of NJ during the Pandemic. Information on how to access the meeting, which was previously advertised at the beginning of the year in the annual legal notice, were provided to the public regarding in accordance with State guidelines.

Mayor Taylor asked the Borough Clerk to call the roll as follows:

Governing Body Member	Present	Absent
Mayor Taylor	X	
Council President Malone	X	
Councilman Germershausen	X	
Councilwoman Cefolo-Pane	X	
Councilman Carpenter	X	
Councilman Zuckerman	X	
Councilwoman Santoro	X	

Additional Borough Officials present were Borough Clerk Sheila Williams, Administrator William Huyler and Borough Attorney Joseph Bell.

Pledge of Allegiance:

Mayor Taylor led the Salute to the Flag.

Opening Statement by Mayor Taylor:

Mayor Taylor stated that the meeting was being recorded; therefore, anyone who did not wish to participate could elect to drop off at any time.

Mayor Taylor asked the Borough Clerk if the requirements of the Open Public Meetings act had been met. Mrs. Williams stated the Borough was in compliance with the requirements.

Mayor Taylor stated that he had been in contact the members of the Council that he could get in touch with regarding street names for Park North LLC complex. We discussed this some time ago. We can affirm the names and do the Resolution for the next meeting.

The street names are:

- Road (A) Mikula Way
- Road (B) Dirlam Drive
- Road (C) McNeerney Lane

Councilman Germershausen made straw vote motion that we accept the street names and formalize it at the next meeting. All Councilpersons that were present indicated they were in agreement with the names.

I also received a letter from Debbie Kerwin about a resident of Florham Park, Tom Fletcher, who recently passed away. Tom was quite a baseball player. The family has requested that we put a bench at Emmett Field in his memory. If everyone agrees, I will speak with the family and get that set up. I also need to get a status from Mr. Huyler on the bench for Jim and Mary Durlam who were wonderful volunteers in our town. I don't know if we have moved forward on that. Mr. Huyler stated that Mike Smith is checking on that.

COMMUNICATIONS:

Mayor Taylor stated that there were several items of public communications listed on the agenda. He asked if there were any questions on the items. He stated that if anyone would

like to review any of the documents, they are on file in the Borough Clerk's Office. There were no questions on the following communications on record:

- Notice of Adoption of Housing & Fair Share Plan – East Hanover
- Notice of Ordinance Adoption, Twp. of East Hanover, Chapter 95, Land Use

Ms. Visco stated that the following documents will be made available on the Borough’s website and on the table located in the Police entrance:

- State Budget Document
- User-Friendly Budget
- 2020 Budget Comparative showing the last 3 years

After the conclusion of the Budget Overview, Mayor Taylor opened the meeting for a Public Hearing on the budget. The following persons wished to be heard:

Council President Malone stated that this budget was a culmination of a very thorough process. Our Finance team did a great job on this budget which was made into a longer process due to the global pandemic. We have been strategic as to how we handled that; adopting the budget after the 2nd quarter tax payments were due. I believe we are conservative in our nature as in years past. I think that paid off this year when we were in a difficult spot. Each year presents new challenges although this year was extraordinary. We did back off some of the capital improvement projects. I think we were also compassionate in some situations that some were in due to the economy. I think a ton of credit goes to Patrice Visco, Jon Rheinhardt and all others involved in the process. It was an extraordinary budget and very well done.

Patrice Visco added that she will be sending out estimated tax bills shortly for the 3rd Quarter. They will be due August 1.

John Winters, 32 Brooklake Road

Mr. Winters stated it looks like we are going up .006 per 100 vs. .007 per 100. I looked at the High School numbers and it looks like they are going up by .013 and the local school is .009.

Mr. Winters asked if we are still in good shape to meet our long range plan based on the presentation Mr. Rheinhardt gave a while back?

Budget Consultant Jon Rheinhardt was on the call and addressed Mr. Winter's question. He stated that the Borough has stayed true to the plan for all these years and we are almost there.

Mr. Winters asked if there is a plan in place if August tax payments do not come in as strong as the last quarter? Will there be State aid?

CFO Patrice Visco stated that they are working on a reserve in case something catastrophic happens.

Mr. Winters said that's good; we don't want to lose our Triple-A bond rating. They will be happy with that?

Ms. Visco stated she believes so.

Mr. Winters said he is concerned about what happens down the road. He wants to make sure we are not cut short.

Hearing no others who wished to be heard, he closed the meeting to the Public.

Mayor Taylor asked if there was anything the Council needed to brief everyone one on.

Council President Malone discussed Meet Me In FP, which was a campaign that started in 2015 to help local businesses. Lately it has been more to help businesses in town during the COVID epidemic. Most recently there were some businesses with indoor tennis courts asking about their ability to operate. We are doing all that we can to help. Three Birds Yoga and Pure Barre have come forward. Obviously, they are severely constrained by Executive Orders. They want to hold some of their activities outdoors and we are trying to see what we can do to help, although we want to make sure we do not favor some over others. We are trying to do all we can on a temporary basis to help out. I wanted to throw it out to the Council and see if they are okay with holding some fitness classes on Borough property, not to just make a unilateral decision.

Mayor Taylor mentioned that we would need insurance certificates, naming the Borough as additional insured.

Councilman Zuckerman and Councilman Germershausen stated they think they should help as long as the Executive Orders are in place.

Council President Malone stated that agrees and further stated that we have had joint efforts with Three Bird Yoga in the past, although this would not be a joint effort with the Recreation Department. They would be looking to conduct their fitness classes. They would provide a certificate of insurance and also have the understanding that our restrooms are not open.

Mayor Taylor stated there is a portable potty at every field.

Councilman Carpenter asked Council President Malone how the synthetic turf field will be used?

Council President Malone stated that he had not been contemplating using that. I think all of this would go first and foremost to Florham Park residents and sports clubs to the extent they are permitted for it.

Mayor Taylor stated he has seen numerous groups playing on the fields and just going on them. Councilwoman Cefolo-Pane stated she also noticed this.

Councilwoman Cefolo-Pane asked if there is any guestimate as to when the basketball courts/tennis courts can open.

Council President Malone said there are still some punch list items that need to be handled; i.e. card access to become a registered user of the tennis courts. You need to get an access card to be an authorized user of the tennis courts. Also some outstanding items for the basketball courts. They are absolutely beautiful courts. I also have observed some games on the courts. People are anxious to get out there.

If I can have a moment to tell a little story. Pat and BJ Highland were longtime tennis coaches years ago. I took tennis lessons from them and played for them! They were terrific people. The tennis courts were named for them in the year 2000. Through social media I was able to track down their daughter Katie . She was interested in the fact that there was going to be some type of opening ceremony, but hadn't quite figured it out yet. She mentioned that as we were speaking she was on vacation in Lavalette, NJ. She lives in

Virginia. So, Mayor Taylor, myself, Mike Sgaramella, John Timmons and Bill Huyler ended up meeting the daughter, her niece and nephew at the courts. The daughter ceremoniously hit the first serve on the courts named after her parents. It turned out that it was the 10th anniversary of Pat Highland's death that very day. We couldn't have done it any better for the family in terms of a nice moment for them, while social distancing and opening the courts. It was really very neat and the family was very appreciative. I actually wanted to do a story on this; however, I have heard nothing from Gary Herzog.

Mayor Taylor said he thought Gary Herzog was furloughed.

Council President Malone stated there are also four new pickle ball courts that are in high demand. I think once we get things up and running there we will see some activity there. I think its proximity to the Senior Center will be beneficial.

Recreation Director John Timmons stated that there are some issues that need to be addressed with the courts, such as fencing issues. We are getting several calls a day asking when the courts will be open.

Mayor Taylor stated that he is glad those projects continued during the pandemic; it will give residents some nice courts to play on for the summer. I did notice a group of about 25 playing on the courts. I am not sure if that was a Borough sponsored group.

Administrator Bill Huyler said that it was not a Borough group. Mr. Huyler indicated he has been getting many requests to use our facilities. There is a camp group that wants to have a bus pick up campers from one of our lots and drop them off in Stanhope. I think that if we get some out of town for profit groups we should attach a fee to it. I would like to be able to negotiate with them and I will make sure they provide a Certificate of Insurance. I even thought it might be a good idea to bid out some of the fields to groups that are looking for field time; perhaps we can make some money. John Timmons spoke with the basketball group. They are willing to pay and get a permit for it. I know there are a lot of people that have been using the new courts, and I wouldn't want one of these groups pushing out our residents who wish to use them.

Council President Malone said he totally agrees, although he does agree with Councilman Carpenter that the turf fields should be off limits as well.

Councilman Zuckerman agreed that any for profit groups from out of town should pay to use our facilities.

Mr. Huyler stated he would work with John Timmons on it.

Mr. Huyler stated he had received a sign request. The UPS store wants to put up some lollipop signs. They indicated people are having trouble locating their store. If Council is okay with it, I will give them the okay for 30 days.

Mayor Taylor asked Councilwoman Santoro for an update on the 4th of July.

Councilwoman Santoro gave the following report:

Today Suzanne met with Chief Orlando to discuss the traffic pattern and the flow. The custom signs are due today; the small lawn signs are due on Sunday.

Plastic Cups will be going on pre-sale; we have a limited number of 300 and they are \$5.00 each. They will be up on the 4th of July website within the next day or two.

There will be a tent located next to the Grand Marshall tent for the Hupcey's for the Council to stand in. They were supposed to be the Grand Marshall's for this year's parade and will be the Grand Marshall's next year. They actually have a lot of family coming to drive by the tent. We would like to support them while remaining socially distant. The Council will go first in the parade, then go to the tent.

Council President Malone asked how the sign sales and cup sales were going? What is being done with the proceeds?

Councilwoman Santoro stated that the cups are about 1/3 of the way sold out. The lawn signs were about to about 125 sold as of Tuesday, although I believe more have been sold since then. All of the proceeds will be going toward the cost of the fireworks. We did get a cancellation fee for that. Whatever is leftover will be going to cover the cost of 2021.

Councilman Zuckerman stated he wanted to give an update on the pool. John Timmons and Frank Newman have been working along with the guidelines established by the Governor and the CDC. They will start water testing tomorrow. After the Board of Health signs off, they will work towards opening up by July 11. Once we get the okay, there will be some new regulations that will be put on the website. Residents can start registering at midnight.

Appointments:

Councilwoman Cefolo-Pane made a motion appoint the following individuals to the FP Community TV Committee:

-  Christian Garring

PRIVILEGE OF THE FLOOR:

Mayor Taylor opened the meeting to the public.

John Winters, 32 Brooklake Road

Mr Winters asked about #20-90, which is the sewer resolution. Where is that area?

Mayor Taylor stated is at the end of Florham Park; the beginning of Madison

Regarding using Borough facilities, we should make sure there is a damage charge if there is any damage.

Council President Malone believes that is currently part of the permitting fee.

Mr. Winters inquired about the street naming that was discussed by the Council. The names didn't ring a bell with him.

Mayor Taylor stated they are named after former Councilmen George Mikula and Bill McNerny and former residents that passed away Jim and Mary Dirlam who volunteered for many years.

Seeing no more members of the public who wished to be heard, he closed the meeting to the Public.

Councilwoman Cefolo-Pane stated that she wanted to give a brief update on the ASCO redevelopment study. The Mayor stated it's a blight study.

Councilwoman Cefolo-Pane stated that at the last Council meeting she mentioned that our Planner Katherine had put a study on the website. I don't know if anyone had a chance to look at it. At the last meeting the Planning Board voted to recommend that the Council consider that area for redevelopment. There were 8 criteria that had to be reviewed in order for a project to be deemed an area of redevelopment. I just wanted to let the Council know that they should be seeing something from the Planning Board asking the Council to consider redevelopment.

Thomas Zen from the US Census Bureau. He discussed the fact that based on the Census the government disbursed more than 675 Billion dollars to state and local communities for things like emergency services, schools, lunch programs, roads, etc.

Mayor Taylor stated he doesn't think we saw any of that money here in Florham Park.

Mr. Zen discussed the response rate and said different areas of Florham Park, like the near have different response rates; also people will be going door to door. Mayor Taylor stated there are not 1000 houses by the Archer Hotel.

Mayor Taylor thanked him for the information.

Kathleen Underwood, 35 East Madison Avenue

Ms. Underwood asked if the Three Birds Yoga issue was approved. Mayor Taylor stated it was unanimously approved. We understand that residents need to go out.

Ms. Underwood stated she thinks during this pandemic it is good to support people this way.

Ms. Underwood said she wanted to note one other item. She has people are riding bikes, without helmets and going against the traffic. If the Police can publish something about bicycle safety that would be great.

ADJOURNMENT:

It was regularly moved by Councilman Zuckerman and seconded by Councilman Carpenter that the meeting be adjourned at 8:05 p.m.

Respectfully submitted,

Sheila A. Williams, R.M.C.
Borough Clerk
